

Today, young people are searching for building blocks.

They are asking :
"What should I build my life on?"

Will we leave them embracing non-biblical, humanistic, immoral values of modern media, or will we show them solid truth?

*They are hungry
for answers.*

what we do

Genesis Design has developed over many years into a comprehensive curriculum that is being used in both the developing and the developed world.

- We teach individuals and groups to learn and practise their God-given design.
- We train people and supply them with resources to become successful Genesis Design teachers.
- We make age appropriate lessons that are relevant, exciting and user-friendly.

our task

- Develop, complete and produce the appropriate resources and materials so that teachers, pastors, home schoolers, and youth leaders can use the curriculum to great effect.
- Expand our team of staff and volunteers to fulfill our task.
- Raise the needed funds to accomplish the goals set by the Global Council.

"Genesis Design is the best resource I know for teaching Biblical manhood, womanhood, sexuality and marriage."

Dr Randy Rainwater

Grace New Hope Lead Pastor,
a 32-year veteran of youth ministry and author
of discipling materials "Believe and Grow"

manhood
womanhood
sexuality
marriage

Teaching and equipping people to practice the **Biblical Truth Foundations of manhood, womanhood, sexuality and marriage**, through the redemptive work of the Lord Jesus Christ.

The Genesis Design Curriculum guides children, young people and adults to a correct understanding of God's purpose and plan for manhood, womanhood, sexuality and marriage. Everything we need to know about manhood, womanhood, sexuality and marriage can be found in Genesis 1, 2 and 3.

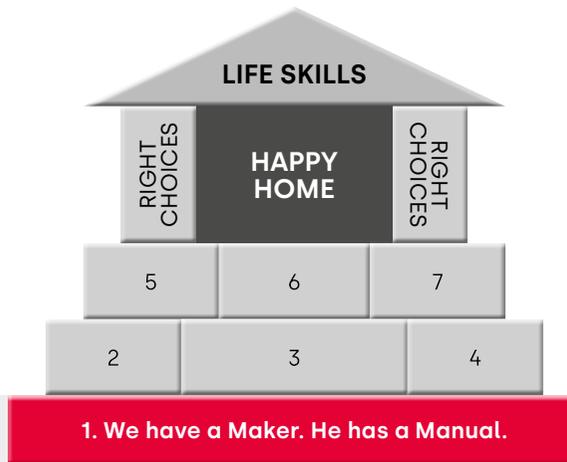

Jesus confirmed it in Matthew 19:4-5:

"... at the beginning the Creator 'made them male and female,' and said, 'For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh.'"

LifeHouse

The curriculum is a comprehensive guide to making choices based on **7 Biblical Truth Foundations** in the first 3 chapters of Genesis.

- 2** I have value. You have value. Sex has value.
- 3** God wants everyone to have the blessing of a happy home.
- 4** We are designed to reach adulthood as godly, independent, single men and women.
- 5** Sex is for marriage. Marriage is for love.
- 6** Sin makes us selfish rivals.
- 7** Redemption through the Lord Jesus Christ makes us caring companions.

Damaging beliefs, traditions and cultural practices are challenged and realigned with the Bible, our manual for maximum good and minimum damage.

No longer confused by half-truths and lies, participants are empowered to think, speak and act with confident assurance, no matter what is trending in the ever-changing patterns of popular thought and behaviour.

Genesis Design is ...

... cross-generational

Life transforming Biblical truth is relevant to every age group and every life stage.

... cross-cultural

Before man-made culture and traditions existed, God established the same purpose and plan for all people.

"We are designed to reach adulthood as godly independent men and women with the potential for faithful and loving marriages, stable families and happy homes."

CycleBreakers

Through the redemptive work of the Lord Jesus Christ, we are enabled to become CycleBreakers - not repeating the mistakes of the previous generation, and creating our own happy families, thus transforming the next generation.

"But as for me and my house, we will serve the Lord."

— Joshua 24:15
