

CHOOSE TO WAIT BOOK

Merline wrote:

In life many boys used to tell me beautiful words and I always felt like I was on cloud nine. But after reading this book my way of life has changed.

I don't believe anymore in the beautiful words they say because all those words are not true; they are just lust. And I have found true love in Jesus Christ, my Saviour, who died on the cross for me and has forgiven me for all that I have done.

In my life it was difficult to say no to a boy when he said he loves me, but now I have learned to say no. I am always punctual at home and my marks at school are improving.

You have changed my life, and now I am a happy teenager without problems.
